SUPPLEMENTARY INFORMATION:

Title: Information on Meetings with Outside Parties Pursuant to Executive Order 12866

Abstract: E. O. 12866, "Regulatory Planning and Review," issued by President Clinton on September 30, 1993, establishes and governs the process under which OIRA reviews agency draft and proposed final regulatory actions. Consistent with the disclosure provisions of E. O. 12866, OIRA provides information about its work related to regulatory reviews on Reginfo.gov at www.Reginfo.gov and on OIRA's website at <https://www.whitehouse.gov/omb/oira>. OIRA makes public all substantive communications with any party outside the Executive Branch concerning regulatory actions under review. If the OIRA Administrator or his/her designee meets with outside parties during a review, the subject, date, and participants of the meeting are disclosed on the Reginfo.gov website, as well as any materials distributed at such meetings.

These meetings occur at the initiative and request of an outside party. Any member of the public may request a meeting about a regulatory action under OIRA review, and may invite other outside parties to attend. OIRA's role in these meetings is limited to listening to feedback on the regulation under review. OIRA invites representatives from the agency or agencies issuing the regulatory action. OIRA and agency staff may ask clarifying questions, but do not take minutes. OIRA does, however, post on RegInfo.gov any written materials provided by outside parties, including the initial meeting request.

To ensure transparency associated with meetings pursuant to E. O. 12866, OIRA is proposing to collect—and then post publicly—the following information from outside

parties that request a meeting with OIRA to present their views on a regulatory action currently under review:

1. Names of all attendees who will be present at the meeting from the outside party or parties. Each attendee's organization or affiliation. If an attendee is representing another organization, please provide the name of the organization the attendee is representing.
2. The name of the regulatory action under review on which the party would like to present its views.
3. Electronic copies of all of briefing materials that will be used during the presentation.
4. An acknowledgment by the requesting party that all information submitted to OIRA pursuant to this collection and meeting request will be made publically available at Reginfo.gov.

This effort will streamline the current process for outside parties when requesting a meeting and will ensure transparency and accuracy of the docket that OIRA keeps in accordance with the disclosure provisions of E. O. 12866. OIRA welcomes any and all public comments on the proposed collection of information such as the accuracy of OIRA's burden estimate, the practical utility of collecting this information, and whether there are additional pieces of information that should be collected from meeting requestors to further the disclosure provisions of E. O. 12866.

Request for comments: Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. Comments are invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; to develop, acquire, install, and utilize technology and systems for the purpose of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information, to search data sources, to

complete and review the collection of information; and to transmit or otherwise disclose the information.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Dominic J. Mancini,
Deputy Administrator,
Office of Information and Regulatory Affairs.
